Dear Sir:-

I am directed by the President to call a Meeting of the Council of this Association for Monday, November 8th, 1915, at 4 o'clock p.m., to meet in the Board Room at 26 King Street, East.

According to the rules, this regular meeting of the Association should be held on Monday, the 1st day of November, and if it were called in accordance, it would be impossible to present the usual financial statement as there would not be time between Saturday, October 30th, and Monday, November 1st to close the books, and present the statement. Under the circumstances therefore, the Meeting is called for one week later.

Yours very truly,

W. C. NOXON,

Honorary Secretary.

Dear Doctor Falconer:

I presume the enclosed list was left on my desk by you.

You will notice that opposite some of the names are placed certain numbers. These numbers represent the teams who now hold their cards. They have been chosen from the lists on Saturday night through those teams.

Those who are not chosen are marked with a cross and I am enclosing herewith the cards for these gentlemen.

I might explain that these names do not bear the address "Toronto University", and for that reason they were not taken out previously.

Yours truly,

A. J. Muirhead

W. C. Noxon, Esq.,

Dear Mr. Noxon:

I am sending you a letter from Mr. Currelly, the Director of our Museum of Archaeology on Bloor Street. I told him over the telephone yesterday that I felt sure from your conversation with me that such a case as John Todd's would receive exceptional treatment.

With kind regards, I am,

Yours sincerely,

President.

Dear Dr. Faulkner:-

I am in receipt of your favor of
Mar. 7th., enclosing the letter from Mr. Currelly re John Todd,
I might say the matter will have immediate attention. The
reason given in the letter is quite wrong as regard qualifi-
cation under this Fund.

Very truly yours,
